Mr. Kieling:

HollyFrontier Navajo Refining LLC (HFNR) respectfully requests an extension of the deadline for submittal of responses to the New Mexico Environment Department (NMED) letter dated August 16, 2018 regarding the *SWMU/AOC Group 3 Additional Corrective Action Investigation Report – Revised (Report)* dated December 2015. The NMED letter requested that HFNR submit a revised report and responses to comments no later than November 30, 2018 and a work plan for specific activities requested in select comments no later than December 31, 2018. Due to the number of comments and the extent of the revisions to the report, HFNR requests an additional month to make the revisions to the report. The revised report, responses to comments, and the associated work plan will all be submitted no later than December 31, 2018.

If you have any questions or comments regarding this request, please feel free to contact me at 575-746-5487 or Robert Combs at 575-746-5382.

Sincerely,

Scott M. Denton
Environmental Manager
HollyFrontier Navajo Refining LLC
