

MEMORANDUM OF MEETING OR CONVERSATION

Telephone     Personal    Time AM    Date 6/25/84

Originating Party: Jody Plum (PNM)    Other Parties: Dave Boyer

Subject: PNM Person Station

Discussion: Jody called to say he sent a 10 lb package to Asher regarding Superfund request from EPA. He said 3 copies were sent and that mercury meant to go to ground water. The package included info. on past disposal practices at Person Station.

Conclusions or Agreements: I told him that I would pass this info on to Joel Hubbell since he will now be the lead on this project  
(Received Package 6/26/84 WTB)

Distribution: PNM file.    Signed: Dave Boyer
