**RE: Investigation of Deep Plume Contamination at Public
Service Company of New Mexico (PNM) Person Generating
Station.**

Dear Mr. Johnson,

On June 8, 1993, the Hazardous & Radioactive Materials Bureau (HRMB) received your letter re: Investigation of Deep Plume Contamination at Person Generating Station, requesting approval to proceed in this investigation. HRMB approves of PNM's request to proceed with the deep plume investigation, however, additional investigation may be required as new information becomes available.

If you have any questions or comments, please contact Jane Cramer of my staff at 827-4303.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ed Horst".
