

Public Service Company of New Mexico

September 19, 1994

By Federal Express

Mr. Ron Kern
Program Manager
New Mexico Environment Department
Hazardous and Radioactive Materials Bureau
525 Camino de Los Marquez
Santa Fe, NM 87502

Dear Mr. Kern:

Subject: Submittal of Draft Document,
Focused Risk Assessment For The
Person Generating Station, NMT360010342

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Toni Ristau

Director, Environmental Services

Enclosed please find two (2) copies of the draft document Focused Risk Assessment for the Person Generating Station, Public Service Company of New Mexico, RCRA Permit NMT360010342. This document was prepared pursuant to the "framework for risk assessment" document previously reviewed and approved by HRMB in your letter of August 17, 1994.

If you have any questions, please feel free to contact me at 848-2998.
