DEPUTY SECRETARY

Dear Mr. Malott:

The Hazardous and Radioactive Materials Bureau (HRMB) has just received the April 1995 Post-Corrective Measures Implementation Report - Phase 1 for Public Service Company of New Mexico Person Generating Station in Albuquerque. Please find enclosed a copy of the document you had requested during our January 1995 conversation. Also included is a copy of the risk-assessment report prepared in conjunction with the corrective measures study.

i hope this information is helpful in your dealings with Sparton Technology. If you should have any questions or need additional information please contact either myself or Ronald Kern at (505) 827-4308.

Sincerely,

A handwritten signature in cursive script, appearing to read "Teri Davis".
