Re,

$$\begin{aligned} (11) 8240 (212.50) &= 2337.5 \\ (4) 8270 (340.00) &= 1360 \\ \hline &= 3697.5 \end{aligned} \rightarrow$$

As we had discussed yesterday, here are the wells HRMB would like to split samples on. Can we sample this listing within two days? Please give me a call at your convenience and we will arrange this listing as needed.

Thanki,
Teri Davis
