**RE: Proposed Permit Renewal
Public Service Company of New Mexico
Person Generating Station
RCRA Permit No. NMT 360010342-1**

Dear Concerned Citizen:

Enclosed is a legal notice and fact sheet regarding the New Mexico Environment Department's (NMED) intent to renew a Resource Conservation Recovery Act (RCRA) Permit for the Public Service Company of New Mexico (PNM) Person Generating Station site, Permit No. NMT 360010342-1.

The proposed Post-Closure Care Permit authorizes and contains details of PNM's remediation activities for hazardous waste contamination at the site. The Fact Sheet is a summary of information regarding the proposed Draft Permit, including repositories where the complete administrative record for this action can be reviewed, and procedures for submitting comments and requesting a public hearing. Comments and requests for a public hearing may be submitted to NMED Hazardous and Radioactive Materials Bureau (Attention: Carl Will) at the above address, from June 12 through July 27, 2000.
