Mr. Will Moats  
New Mexico Environment Department  
Hazardous Waste Bureau  
4131 Montgomery NE  
Albuquerque, NM 87109

**RE: Treatment Effectiveness Report, First Quarter 2004, Public Service Company of New Mexico  
Person Generating Station Groundwater Treatment System, NMT 360010342**

Dear Mr. Moats:

Enclosed please find one copy of the subject report submitted pursuant to requirements contained in the Person Station Corrective Action Directive issued in September 1991. A copy of this letter and report has also been sent to the Bureau's Santa Fe office.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

  
James L. Ray  
Director, Production Projects and Operations

If you have any questions, please contact me at (505) 855-6392.

Sincerely,  
  
John Hale, P.E.  
Technical Project Manager
