Mr. John Kieling
Chief, Hazardous Waste Bureau
New Mexico Environment Department
2905 Rodeo Park Drive East, Building 1
Santa Fe, NM 87505-6313

RE: Person Generating Station (NMT360010342) - Class II Permit Modification Status Update.

Dear Mr. Kieling:

Public Service Company of New Mexico (PNM) is sending this letter regarding the current status of the Class II Permit Modification submitted to the New Mexico Environment Department (NMED) on October 31, 2016.

In accordance with 40 CRF 207.42(b)(5), PNM mailed a copy of the public notice dated November 18, 2016 to the mailing list maintained by the NMED. The public notice was published in the Albuquerque Journal on November 23, 2016. The 60-day comment period ended on January 17, 2017. PNM did not receive any comments from the public regarding the Class II Permit Modification.

If you have any questions, please contact me at (505) 241-2014 or via email at john.hale@pnmresources.com.

Sincerely,

John Hale, PE
Environmental Manager
