2. If there are "Yes" answers to any of the items in Number 1 above, please provide a description of the wastes that were stored, treated or disposed of at any time in each unit. In particular, please focus on whether or not the wastes would be considered as hazardous wastes or hazardous constituents under RCRA. Also, include any available data on quantities or volumes of wastes disposed of and the dates of disposal. Please also provide a description of each unit and include capacity, dimensions, location at the facility, and provide a topographic map which has a scale drawing of the facility showing the location of the unit or units.

NOTE: Hazardous wastes are those identified in 40 CFR Part 261. Hazardous constituents are those listed in Appendix VIII of 40 CFR Part 261.

3. For the units noted above in Number 1, and also those hazardous waste units in your Part B application, please describe for each unit any data available on any prior or continuing releases of hazardous wastes or hazardous constituents to the environment that may have occurred in the past or still be occurring.

Please provide the following information:

- a. Date of release
 - b. Type of waste released
 - c. Quantity or volume of waste released
 - d. Describe nature of release (i.e., spill, overflow, ruptured pipe or tank, etc.)
4. In regard to the prior releases described above in Number 3, please provide (for each unit) any analytical data that may be available which would describe the nature and extent of environmental contamination of hazardous wastes or constituents present in contaminated soil or groundwater.
