Dear Mr. Sherman:

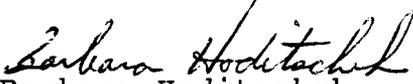

As we discussed on the phone yesterday, enclosed please find a draft copy of the hazardous waste generator and storage permit modification requested by Philips in September 1992. Additional changes have been made to update the permit. Changes include:

- 1) the modifications requested by Philips;
- 2) typo and syntax corrections;
- 3) name and address updates;
- 4) procedure update; and
- 5) an update of Permit Attachment D, Personnel Training.

Please review this draft document, especially the sections we discussed yesterday. Please return your comments to Stephanie Kruse of my staff by August 9, 1993, so that we can proceed with permit issuance.

If you have any questions or comments, please contact Stephanie Kruse at 827-4308.

Sincerely,

Barbara Hoditschek
