Re: Permit Modification Fee, NMD000709782

Dear Ms. Hoditschek:

I have enclosed a check for the permit modification fee assessment of \$1,000.00. There are several minor changes that still need to be addressed including those associated with Mr. Le Scouarnec's 9 September letter. Mr. Le Scouarnec had some concerns with the permit's training and contingency plans that have been addressed by changes to those plans and will have to be incorporated into this permit revision.

I will contact you later this month to discuss your technical review and the above changes. Should you have any questions, please contact me at (505) 822-7634.

Respectfully yours,

Zeke Sherman  
Environmental Engineer
