SUBJECT: Philips Semiconductors (NMD000709782) Closure of Part B Permit

Dear Ms. Hoditschek:

Enclosed is Philips' proposed RCRA closure plan. Please review this information and let me know if you have any issues with the plan. We are still planning to perform and certify closure the week of December 22 - 29, 1995.

I will be contacting you and Coby Muckelroy during the week of September 25 to schedule a meeting for review of the plan. I would like to meet during the first week of October if you are available. If you have any questions in the meantime, please contact me at (505) 822-7634.

Sincerely,

Melanie McKinley
Environmental Engineer
