Ref.: Waste Solvent Tank Removal; Philips Semiconductors

Dear Mr. Tymkowych:

The planned removal of the waste solvent tank for the third week of July has changed. The removal will now take place the week of August 4, 1997. This date is firm with Philips Semiconductors.

If there are any questions regarding this removal please call me at 505-242-6464.

Thank you,

Paul G. Smith  
Senior Project Manager
