SUBJECT: Philips Semiconductors (NMD000709782) - Notification of Quarterly Groundwater Sampling

Dear Ms. Hoines:

Per the requirements listed in Module IV - Corrective Action of RCRA Permit No. NMD000709782-1 section C.1(a), Philips is providing you the required 10-day notification, prior to conducting quarterly groundwater sampling. The sampling is scheduled to take place on July 13 and 14, 1998, and will be performed by Daniel B. Stephens and Associates (DBSA). In addition to taking samples from our own four wells, they will be taking samples from five of the City of Albuquerque wells located near Philips' property. Two of these five City wells were recently installed. This will be the initial sampling by Philips of these two wells.

If you or one of your group members would like to be present at the time of sampling for observation, split samples, etc., please call me at (505) 822-7634.

Sincerely,

Joe Mauser
