Should you disagree with the fee assessed you may file an Administrative Appeal under the provisions of 20 NMAC 4.2.302.1.

Upon receipt of the fee by HRMB, Dr. Kirby Olson of the HRMB staff will initiate the processing of the RFI Work Plan in accordance with the timeline established in 20 NMAC 4.2.201.7. This regulatory language states that " NMED shall review and approve or disapprove a corrective action document within one-hundred eighty (180) days after the document is accepted for review by NMED and the applicable fee has been assessed and paid. The Secretary may allow an additional sixty (60) days for review upon a determination that good cause exists for the additional review time. The review period set by this subsection shall be tolled during all periods in which NMED is awaiting a response by the facility to a Request for Supplemental Information or a Notice of Deficiency and during all time periods in which further action cannot be taken due to public hearing requirements."
