SUBJECT: Philips Semiconductors (NMD000709782) - Notification of Quarterly Groundwater Sampling

Dear Mr. Bearzi:

Per the requirements listed in Module IV - Corrective Action of RCRA Permit No. NMD000709782-1 section C.1(a), Philips is providing you the required 10-day notification, prior to conducting quarterly groundwater sampling. The sampling is scheduled to take place on July 19, 20 and 21, 1999, and will be performed by Daniel B. Stephens and Associates (DBSA). In addition to taking samples from three of our own wells, they will be taking samples from five of the City of Albuquerque wells located near Philips' property.

If you or one of your group members would like to be present at the time of sampling for observation, split samples, etc., please call me at (505) 822-7634.

Sincerely,

A handwritten signature in cursive script that reads "Joe Mauser".
