SUBJECT: Philips Semiconductors (NMD000709782) - Notification of Quarterly Groundwater Sampling

Dear Ms. Olson:

Per the requirements listed in Module IV - Corrective Action of RCRA Permit No. NMD000709782-1 section C.1(a), Philips is providing you the required 10-day notification, prior to conducting quarterly groundwater sampling. The sampling is scheduled to take place the week of April 17, 2000, and will be performed by Daniel B. Stephens and Associates (DBS&A). The wells to be sampled during this quarter include those sampled quarterly and those sampled annually. These wells include City wells NCLF-2 through NCLF-9 and Philips wells MW-1, MW-2, and MW-4.

If you or one of your group members would like to be present at the time of sampling for observation, split samples, etc., please call me at (505) 822-7342.

Sincerely,
