**SUBJECT: Philips Semiconductors (NMD000709782) - Notification of Quarterly Groundwater Sampling**

Dear Mr. McDonald:

Quarterly groundwater sampling for Quarter-2 will be conducted at the Philips Semiconductors site the week of April 15, 2002. This letter provides the required 10-day notification, prior to conducting quarterly groundwater sampling. The sampling will be performed by Sangre De Cristo Sciences, a local sampling contractor. This sampling period will include wells on the annual sampling schedule. The Thirteen (13) wells to be sampled are City wells NCLF-2 through NCLF-9 (8 wells) and Philips Semiconductors wells MW-1, MW-2, MW-4, MW-5, and MW-6 (5 wells).

If you or one of your group members would like to be present at the time of sampling for observation or split samples, please call me at (505) 822-7342.

Sincerely,

David Paulson  
Environmental Section Head
