SUBJECT: Philips Semiconductors (NMD000709782) - Notification of Quarterly Groundwater Sampling

Dear Mr. McDonald:

Quarterly groundwater sampling for Quarter-3 will be conducted at the Philips Semiconductors site the week of July 22, 2002. The sampling was pushed back due to scheduling conflicts with the sampling company. The sampling will be performed by Sangre De Cristo Sciences, a local sampling contractor. This sampling period will include wells on the quarterly sampling schedule. The Five (5) wells to be sampled are City wells NCLF-7 through NCLF-9 (3 wells) and Philips Semiconductors wells MW-5 and MW-6 (2 wells).

If you should have any questions regarding this sampling, please call me at (505) 822-7342.

Sincerely,

A handwritten signature in cursive script that reads "David Paulson".
