Dear Mr. Kieling:

Philips Semiconductors stopped manufacturing processes on October 8, 2003. As of December 4, 2003 all manufacturing equipment has been removed from service and will soon be packed and shipped off-site.

The new technical contact for the Albuquerque Plant is Glen Tsukamoto, Environmental Manager. He can be contacted at; Philips, 1109 McKay DR SJ-55, San Jose, CA 95131-1706; phone 408-474-6129.

Doug Welter and myself are no longer involved in this project, please make necessary changes to your records.

Sincerely,

  
Joe Mauser
