Dear Mr. Houston:

Please announce over the radio between 7:00 a.m. and 6:00 p.m., Monday - Friday, between January 7, 1991 and February 21, 1991 the following public service announcement:

The Environmental Improvement Division in Santa Fe is considering granting a permit to Safety-Kleen Corporation in Albuquerque to operate hazardous waste storage in container storage buildings and double-walled underground storage tanks. A copy of the draft permit is available at the Albuquerque Main Public Library, 501 Copper Ave. NW, in Albuquerque. The public is invited to review the document and submit comments. Comments will be accepted until February 21, 1991.

If there are charges for this service, please make the announcement only once. If there are no charges, we would appreciate as many announcements beyond the initial one as you may find suitable. Please submit a certificate of date and time of announcement and any bill for charges to Ms. Veronica Aragon at the address below.

Thank you for your assistance. If you have any questions, please contact Mr. David Englert on my staff at the address below or at (505) 827-0142.

Sincerely,

A. Elizabeth Gordon, Ph.D.
