RE: Albuquerque Safety Kleen Permit Fee, NMD 000804294

Dear Mr. Fore:

A revision has been made to the permit fee worksheet sent to Safety-Kleen by the Environmental Improvement Division (EID), May 25, 1990. After discussions between Mr. Dave Englert (EID), Mr. Dave Rockwell (Albuquerque Safety-Kleen Service Center manager), and Mr. Rob Omiecinski (Safety-Kleen permit writer), it came to our attention that the container storage units described as the West Warehouse and the East Warehouse will not be located in separate buildings, but adjacent to each other within the same building. Therefore, EID will define the container storage areas as one contiguous unit for purposes of fee determination.

The corrected permit fee worksheet is enclosed and the operating unit number 4 has been deleted (\$3,500.00); the total now due is \$27,500.00 rather than \$31,000.00. The fee is due by June 25, 1990, thirty days from the date of the first notification. Failure to render payment of fees will result in permit denial.

Thank you for your cooperation. If you have any questions, please call Mr. Dave Englert at (505) 827-0142.

Sincerely,

A. Elizabeth Gordon, Ph.D.
