Dear Mr. Englert:

The following is a tentative schedule to install the container storage building, return and fill area and new underground storage tanks:

April through May, 1991	Tera, Inc., will complete the tank and building assessment.
June through August, 1991	Approval on design assessments at the state and local level.
September through October, 1991	Letting out bids and local permitting.
November through December, 1991	Project completion.

If you have any further questions, please call me at (714) 593-3985.

Sincerely,
