RE: Transmittal of Hazardous Waste Permit for
Safety-Kleen, Albuquerque (NMD000804294)

Dear Mr. Fore:

Enclosed is a copy of your permit to operate a hazardous waste facility, under the Hazardous and Solid Waste Amendments of 1984 (HSWA). Also enclosed is EPA's response to the changes in the draft permit.

The New Mexico Environment Division (NMED) and the Environmental Protection Agency (EPA) have entered into a joint permitting agreement, whereby permits may be issued in New Mexico in accordance with the New Mexico Hazardous Waste Management Act, as well as RCRA. The agreement will remain effective until the State hazardous waste program receives authorization under RCRA to administer HSWA. In order for an applicant to have a fully effective permit, both NMED and EPA must issue the permit.

This letter transmits a copy of your HSWA permit with the necessary signature for EPA approval for permit issuance. The RCRA part of the full permit will be sent to you by NMED. The permit will become effective on the date indicated.

If you have any questions, please contact Mr. Bill Gallagher of my staff at (214) 655-6775.

Sincerely yours,

A handwritten signature in cursive script that reads "Allyn M. Davis".

Allyn M. Davis
Director
Hazardous Waste Management Division
