RE: Emergency Contact Sheet for Safety-Kleen Corp.
Albuquerque 7-008-01 (EPA ID# NMD 000804294)

Please find enclosed the updated Emergency Contact Sheet for Safety-Kleen Corp.'s Albuquerque facility (NMD000804294). The contact sheet will be submitted for inclusion to the Albuquerque facility's hazardous waste permit as Attachment F in a future Class 1 modification. Please note that the change to the emergency information sheet only includes a change for the address of the alternate emergency coordinator.

Sincerely,

Peter Olsen
Environmental Engineer
for
Brian T. Jacobson
Senior Environmental Engineer
