Emergency Coordinator

Dear Mr. Dinwiddie:

Due to a change in personnel at the Albuquerque branch the primary emergency coordinator is no longer at the facility. No replacement has been appointed at this time. The alternate emergency coordinator is still in place and until further notice please use this contact.

When a permanent emergency coordinator is appointed to the branch Safety-Kleen will notify the New Mexico Environment Department.

Thank you for your assistance. Should you have any questions, please contact me at (505)884-0260.

Sincerely,

Peter Olsen  
Environment Health and Safety Manager
