**RE: FEE ASSESSMENT AND APPROVAL OF A CLASS 1 PERMIT
MODIFICATION
SAFETY-KLEEN, ALBUQUERQUE, NM, EPA ID# NMD000804294
HWB-SKAL-11-001**

Dear Mr. Shaner:

The New Mexico Environment Department (NMED) received Safety-Kleen's April 18, 2011 request for a Class 1 (without prior approval) permit modification to the above referenced permit. The NMED has made a determination that the submittal is administratively complete. The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC, require the assessment of fees after an application is deemed administratively complete. The fee invoice is attached to this letter. Payment is due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. If you disagree with the fee assessed, you may notify the NMED in writing, at the address above, of the intent to appeal the invoice under the provisions of 20.4.2.302.A NMAC.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. James Valdez, NMED Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.

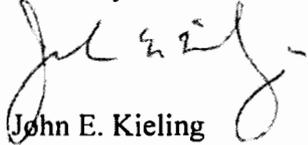

The modification is necessary to revise the Attachment 7 Contingency Plan with an updated Emergency Contact List. A clean copy of the updated Emergency Contact List is attached. This
