Class 1 Modification to RCRA Part B Permit

Dear Mr. Kieling:

In accordance with New Mexico Hazardous Waste Regulations NMAC 20.44.1.900 (40 CFR 270 incorporated by reference), this letter notifies you of a Class 1 Modification to the subject facility's Part B Permit, Attachment 7 Contingency Plan. This modification is necessary to update the Contingency Plan to update the emergency contact list with current information. In accordance with 40 CFR 270.42 Appendix I A.1, this modification is self-implementing. A more detailed explanation of the changes is given below

The updated emergency contact information is being sent to the Fire Department, Police Department and the Presbyterian Hospital. Attached are both clean and MS Word Tracking Changes versions of the modified page and copies the transmittal letters to those agencies. Please update your copies of the Contingency Plan with these changes.

Attachment 7.3 Emergency Contact List

The Emergency Contact List is updated to reflect a change in the home address and telephone number of the Primary Emergency Coordinator. All other information remains the same.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
