Class 1 Modification to RCRA Part B Permit

Dear Mr. Kieling:

In accordance with New Mexico Hazardous Waste Regulations NMAC 20.44.1.900 (40 CFR 270 incorporated by reference), we request a Class 1 Modification to the subject facility's Part B Permit, Attachment 7 Contingency Plan. This modification is necessary to modify the Contingency Plan to update the emergency contact list with current information. In accordance with 40 CFR 270.42 Appendix I A.1, this modification is self-implementing. A more detailed explanation of the changes is given below

The updated emergency contact information is being sent to the Fire Department, Police Department and the Presbyterian Hospital. Attached are the red-lined copies of the emergency notification list and the final list that has been sent to the emergency responders. Please update your copies of the Contingency Plan with these changes. Also, the proposed copy of the public notice to be sent to the facility mailing list is attached.

Attachment 7.3 Emergency Contact List

The Emergency Contact List will be updated to reflect changing the primary emergency coordinator.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
