ASSESSMENT FOR A CLASS 1 PERMIT MODIFICATION FOR SAFETY-  
KLEEN SYSTEMS, INC.  
ALBUQUERQUE, NM CENTER: EPA ID # NMD000804294  
HWB-SKAL-17-001**

Dear Ms. Toossi and Mr. Dolk:

The New Mexico Environment Department (NMED, the Department) has reviewed the June 8, 2017, "Request for Class 1 Modification to the Hazardous Waste Operating Permit NMD000804294", submitted by Safety-Kleen Systems, Inc., Albuquerque Center (the Permittee, the Facility). In the submittal the Permittee is requesting for changes to be made to Permit Attachment 7 (Contingency Plan), to update the emergency contact list with current information.

In the request, the Permittee specifically proposed replacing Mr. Angel Chavez, formerly the Alternate Emergency Coordinator, with Ms. Elizabeth Thomas, who is currently the Lead Material Handler.

Since the Permit Modification is a self-implementing change that does not require approval from NMED, and the Permittee has already sent out a notice of the modification request to all persons on the facility mailing list previously received from the Department, the Permittee must incorporate the attached emergency response contact list into the current operating permit, upon receipt of this letter.

Ms. Toosii and Mr. Dolk

Further, the New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees when administrative review of a document is complete. NMED has attached an invoice to this letter. Payment of the fees is due within sixty (60) calendar days from the date that you receive the invoice.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. James Valdez, NMED Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.

Should the Permittees need to request an extension of the sixty-day period the request must be submitted at least seven days prior to the end of the sixty-day period. Should the Permittees disagree with the fee assessed you may file an Administrative Appeal under the provisions of 20.4.2.302 NMAC.

Please contact Cornelius Amindyas at (505) 222-9543, if you have further questions on this correspondence.

Sincerely,

John Kieling  
Chief  
Hazardous Waste Bureau
