**RE: ADMINISTRATIVE COMPLETENESS DETERMINATION AND
FEE ASSESSMENT FOR A CLASS 1 PERMIT MODIFICATION
SAFETY-KLEEN SYSTEMS, INC. ALBUQUERQUE CENTER, NEW MEXICO
EPA ID Number NMD000804294
HWB-SKAL-19-001**

Dear Mr. Dolk:

The New Mexico Environment Department (NMED, the Department) has reviewed the January 30, 2019, "Request for Permit Modification to the Facility's Part B Permit", submitted by Safety-Kleen Systems, Inc., Owner and Operator (the Permittee) of the Albuquerque Container and Tank Storage Center (the Facility). NMED received the request for permit modification on February 4, 2019. In the submittal the Permittee requested for changes to be made in the current Operating Permit Part A Application to update the Facility Permit Contact.

In the request, the Permittee specifically proposed replacing Ms. Nahid Toossi, formerly the Senior Environmental Health and Safety Manager, with Mr. Nicholas T. Culian, Jr., Senior Environmental Compliance Manager, as the Facility Permit Contact.

Following review of the Permit modification proposal, NMED determined that it is a Class 1 Permit Modification not requiring Agency approval.

Since the Permit Modification is a self-implementing change that does not require approval from NMED, the Permittee must send a notice of the modification to all persons on the facility

mailing list previously received from the Department. The notification must be made within 90 calendar days after the change is put into effect.

The Permittee must also incorporate the attached updated Part A Permit Application into the current operating permit, upon receipt of this letter.

Further, the New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees when administrative review of a document is complete. NMED has attached an invoice to this letter. Payment of the fees is due within sixty (60) calendar days from the date that you receive the invoice.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. Brian Holton, NMED Hazardous Waste Bureau, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.

Should the Permittee need to request an extension of the sixty-day period the request must be submitted at least seven days prior to the end of the sixty-day period. Should the Permittee disagree with the fee assessed you may file an Administrative Appeal under the provisions of 20.4.2.302 NMAC.

Please contact Cornelius Amindyas of my staff at (505) 222-9543, if you have further questions on this correspondence.

Sincerely,

A handwritten signature in blue ink, appearing to read "John E. Kielling". The signature is fluid and cursive, with a large initial "J" and "K".
