RE: Annual Inflation Increase for Closure Policy PEC000659417
Safety-Kleen Systems, Inc.
Albuquerque – EPA ID No. NMD000804294
Farmington – EPA ID No. NMD980698849

Dear Mr. Kieling;

Enclosed please find an original Certificate of Insurance for Closure or Post-Closure Care, issued by Indian Harbor Insurance Company, for the Safety-Kleen facilities referenced above. The certificate is effective March 1, 2020 under Policy PEC0055302xx, and has been adjusted for the annual inflation increases.

The increases were calculated by multiplying the existing 2019 financial assurance value by the annual inflation factor 1.01722. This inflation factor was calculated by dividing the third-quarter Implicit Price Deflator (IPD) for Gross National Product (GNP) for 2019 (112.574) by the third-quarter IPD for GNP for 2018 (110.668). These IPDs were obtained on January 31, 2020 from the U.S. Department of Commerce, Bureau of Economic Analysis, Table 1.1.9 Implicit Price Deflators for Gross Domestic Product.

Albuquerque (Closure): $\$122,156 \times 1.01722 = \$126,596$
Farmington (Closure): $\$107,365 \times 1.01722 = \$109,214$

If you have any questions, please feel free to contact me at Harvey.Pamela@cleanharbors.com or 219-746-5050.

Sincerely,

Pamela K. Harvey, CHMM
Environmental Compliance Manager
