## PUBLIC NOTICE

February 28, 2022

On February 7, 2022 Safety-Kleen Systems, Inc. requested the New Mexico Environment Department (NMED) to approve a self-implementing Class 1 modification of changes to the Contingency Plan included in Attachment D of the RCRA Part B Permit issued to its Albuquerque, NM branch in February 2018.

This public notice is submitted as required by NMAC 20.4.1.900 which incorporates by reference 40 CFR 270.42 (a)(ii).

Safety-Kleen made the following correction to its Contingency Plan:

Attachment D, Table D.1 - Emergency Contacts

The Emergency Contact List is updated to note a new alternate Emergency Coordinator. In addition, a Quick Reference Guide update was provided to Emergency Responders as required by updated regulations.

If you have any questions about this notification, please contact Mr. Nick Culian of Safety-Kleen at 530-363-2632, or by email at [nick.culian@safety-kleen.com](mailto:nick.culian@safety-kleen.com), or Mr. Cornelius Amindyas of the New Mexico Environmental Department at 505-222-9543.
