EPA ID # NMD000804294
Class 1 Modification to RCRA Part B Permit

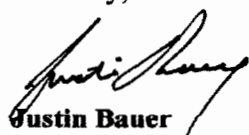

To Whom It May Concern:

On January 31, 2023, Safety-Kleen Systems, Inc. in Albuquerque, NM submitted a notice of one Class 1 Permit Modification as required under 40 CFR § 270.42(a). The purpose of this correspondence is to serve as notification to you that Safety-Kleen Systems, Inc. – Albuquerque Branch, identified by EPA ID: NMD000804294, has been given permission by the New Mexico Environment Department (NMED) to modify the facility’s Part B Hazardous Waste Permit for the change described, below.

- This modification updates the home address of the Primary Emergency Coordinator (Mr. Scott Dolk) and replaces the Alternate Emergency Coordinator with Mr. Tommy Perez. This modification updated Table D.1 – *Emergency Coordinator List for The Facility* in Attachment D (page 54) of the facility’s Part B Hazardous Waste Permit.

You are receiving this letter because you have been identified by the NMED as an interested party requiring notification of any changes to this facility’s Part B Hazardous Waste Permit. If you have any questions regarding the information presented in this notification, feel free to contact me by phone at 602-329-0177 or by e-mail at: bauer.justin@cleanharbors.com

Sincerely,

Justin Bauer
