**Revised Permit Application
and Request for Permit Modification
Safety-Kleen Corporation
Albuquerque and Farmington Service Centers**

Dear Mr. Grover:

In reference to your letter of February 24, 1992 Harding Lawson Associates is currently revising the permit applications for the above-referenced service centers under the direction of Mr. Robert Wachsmuth of Safety-Kleen Corporation. These revisions include the removal of drum color as described to you previously and several additional modifications.

When completed, a revised permit application will be submitted to you with a request for the appropriate permit modifications. This submittal will be made in accordance with Title 40 Code of Federal Regulations Section 270.42 and the directions provided in your February 24, 1992 letter. All proper notification requirements will be met and written confirmation will be provided. The appropriate fees will be submitted upon your approval of the request.

Should you have any questions please contact the undersigned or Mr. Wachsmuth at 714/593-3985.

Very truly yours,

HARDING LAWSON ASSOCIATES
