RE: Request for Determination  
Class 1 Modification to RCRA Part B Permit, Safety-Kleen  
Farmington, NM EPA ID No. NMD 980698849

Dear Mr. Dinwiddie:

Under the provisions of 40 CFR 270.42(a) Safety-Kleen Corp. requests the following Class I modifications to the above-referenced permit.

1. Safety-Kleen wishes to change the Emergency Information sheet required in Attachment II-6-4 (Contingency Plan) of the permit. Pager numbers for the Emergency Coordinator and Alternate Coordinator will be changed. Alternate coordinator information will also be changed.
2. Under permit provision II.E.7 a request to modify the language such that it allows informational updates as agreed upon through negotiations. (i.e. changes to emergency information.)
3. Also, a request is made to change language throughout the permit from "mineral spirits" to "parts washer solution".

The above modifications are classified as Class 1 modifications per 40CFR § 270.42 Appendix I - section B.6.d. These changes do not substantially alter the permit conditions or reduce the capacity of the facility to protect human health and the environment.

Mr. Stuart Dinwiddie
