Contingency Plan Update

Per U.S. EPA regulation 40 CFR, Subpart D. Safety-Kleen Corp. must provide local police departments, fire departments, hospitals, and state and local emergency response teams with a copy of the contingency plan for the facility referenced above and any revisions made to the plan. A copy of the updated emergency contact list is enclosed for your files. Please review the updated list and insert it into your copy of the contingency plan.

U.S. EPA regulation 40 CFR, Subpart C, requires Safety-Kleen to attempt to make arrangements for the provision of emergency assistance. Emergency assistance for this facility may be required from the police and fire departments, state emergency response teams, and hospitals. The completion and return of the enclosed acknowledgment form in the provided self-addressed envelope will acknowledge receipt of this update to the contingency plan.

Thank you for your cooperation in this matter. Should you have any questions or desire to visit the facility, please contact me at (505)884-0260.

Sincerely,

Peter Olsen
Environmental Engineer
