Dear Mr. Czecholinski:

Pursuant to the New Mexico Hazardous Waste Management Regulations, Safety-Kleen Systems, Inc. submitted a permit application to the New Mexico Environment Department (NMED) for the management of hazardous waste. The hazardous waste will be managed at the facilities known as Safety-Kleen Systems, Inc. located in Albuquerque and Farmington New Mexico.

Under the New Mexico Hazardous Waste Act (HWA), Section 74-4-4.7 every applicant for a permit is required to file a disclosure statement with NMED providing the information required by, and on a form developed by NMED, in cooperation with the Department of Public Safety, at the same time the applicant files the application for a permit with the Secretary.
