**RE: PERSONAL HISTORY DISCLOSURE FORMS**  
**SAFETY-KLEEN SYSTEMS, INC. NMD980698849**  
**HWB-SKFA 00-001**

Dear LT Martinez:

Pursuant to the New Mexico Hazardous Waste Management Regulations, Safety-Kleen Systems, Inc. submitted a permit application to the New Mexico Environment Department (NMED) for the management of hazardous waste. The hazardous waste will be managed at the facilities known as Safety-Kleen Systems, Inc. located in Albuquerque and Farmington New Mexico.

Under the New Mexico Hazardous Waste Act (HWA), Section 74-4-4.7 every applicant for a permit is required to file a disclosure statement with NMED providing the information required by, and on a form developed by NMED, in cooperation with the Department of Public Safety, at the same time the applicant files the application for a permit with the Secretary.

Due to the reorganization of Safety-Kleen Systems, Inc. the personal history disclosure forms were required to be re-submitted to the Hazardous Waste Bureau, thus necessitating a second investigative report.

I am therefore requesting your Department to prepare and transmit to me an investigative report on the applicant, based in part upon the enclosed disclosure statements. The enclosed disclosure statements include those of Safety-Kleen Systems, Inc., and other persons who will be, or could

reasonably be expected to be, involved in hazardous waste management activities at Safety-Kleen Systems, Inc.

I would appreciate it if you could prepare and transmit an investigative report on the applicant to me within sixty (60) days from the date of your receipt of this letter. If you have any questions regarding this matter, you may contact Mr. Robert Warder of my staff at (505) 841-9040.

Sincerely,
