**TASK # HWB-SKFA-00-001**

Dear Mr. Ashley:

The New Mexico Environment Department (NMED) has received the Safety-Kleen Systems, Inc. (Safety-Kleen) letter of February 24, 2003, requesting a time extension to respond to the subject NOD. Safety-Kleen was given a Notice of Deficiency (NOD) requiring submittal of the above referenced Waste Analysis Plan (WAP) information within 60 calendar days upon receipt of the NOD.

On January 22, 2003 Safety-Kleen requested an extension to the original NOD submittal date. That extension request was approved by NMED in correspondence to Safety-Kleen dated January 29, 2003 with a new submission due date of February 08, 2003.

On February 16, 2003, Safety-Kleen electronically transmitted an incomplete response to the WAP NOD to the New Mexico Environment Department.
