RE: ANNUAL UNIT AUDIT – CALENDAR YEAR 2003
SAFETY KLEEN-FARMINGTON-NMD980698849

Dear Mr. Pomonis:

The New Mexico Environment Department (NMED) has completed the Final Annual Unit Audit (AUA) for Calendar Year 2003 for your facility. Enclosed are the AUA Tables only for those units that will be billed. The Tables were developed from the Annual Unit Audit of Calendar Year 2002 and comments received from your facility. Also enclosed is an invoice for the Annual Hazardous Waste Management Business Fee. The tables are formatted accordingly: 1) Table A includes all operating, closure, and post-closure care units; 2) Table B includes corrective action units (e.g. SWMUs); and 3) Table C is the summary of all billable units.

As requested in the April 6, 2004 letter from NMED, if your facility has operating unit(s) that did not manage hazardous waste for the entire 2003 calendar year, an affidavit must be provided to NMED affirming no such activity. NMED will then not assess a fee for the 2003 calendar year. The Fee shall be paid in full if permitted hazardous waste management activities took place at the site or unit during any part of the calendar year, 20.4.2.208.1 NMAC.

Under the provisions of 20.4.2.301.1 NMAC, "Payment shall be due within sixty (60) days of receipt of the invoice unless the facility submits to NMED at the address on the letterhead a written request and receives written approval to extend the time for payment before the date

TABLE A

**Safety-Kleen Farmington 2003 AUA OPERATING, CLOSURE AND POST-CLOSURE CARE
