Dear Mr. Pomonis:

The New Mexico Environment Department (NMED) received Safety-Kleen's request for a Class 1 Permit Modification for an Emergency Information page change, dated November 1, 2006. The NMED has made a determination that the submittal is administratively complete. The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC require the assessment of fees after a permit modification request is deemed administratively complete. The fee invoice is attached to this letter.

Payment is due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. If you disagree with the fee assessed, you may notify the NMED in writing, at the address above, of the intent to appeal the invoice under the provisions of 20.4.2.302.A NMAC.

If payment is by check, then you must provide the invoice number on the check. If payment is transmitted electronically, then you must submit a letter to Mr. James Valdez, NMED Hazardous Waste Bureau at the above address, indicating the invoice number, payment amount, and the assessed activity prior to transferring funds.
