

PUBLIC NOTICE

March 11, 2010

Safety-Kleen Systems, Inc. submitted one self-implementing Class 1 modification to the New Mexico Environment Department notifying the Department of changes to the RCRA Part B Permit for its Farmington, NM branch. This public notice is submitted as required by NMAC 20.4.1.900 which incorporates by reference 40 CFR 270.42 (a)(ii).

Safety-Kleen made the following changes to its Contingency Plan:
12-17-2009

- Adjusted Section 7.2 to make the agencies required to be on the emergency contact list consistent with Part 2.12.5 of the RCRA Permit and also the Farmington police department and to remove the telephone numbers of each of these agencies since they are on the emergency contact list.
- Adjusted Sections 7.5.5 & 7.8 to remove reference to a specific emergency response contractor since Safety-Kleen has a national contract with Infotrac to provide local emergency response capabilities;
- The emergency contact list, Section 7.3, is updated to
 - change the title of the Primary Emergency Coordinator;
 - change the name and contact information for the Alternate Emergency Coordinator;
 - correct the non-emergency number for the Farmington Fire Department
 - add 911 as the emergency number for the San Juan Regional Medical Center;
 - substitute Safety-Kleen's 24-Hour Emergency Number for that of local emergency response contractor and remove them from the list;
 - remove the out-of-date 800 # for the Poison Control Center;
 - modify and add information to the header of the 'Emergency Contacts' list.
