

February 1, 2023

Mr. Rick Shean
Chief
Hazardous Waste Bureau & Acting Director RPD
2905 Rodeo Park Drive East, Building 1
Santa Fe, New Mexico 87505

RE: Safety-Kleen Systems, Inc.
4210 A Hawkins Road
Farmington, NM 87401
EPA ID # NMD980698849
Class 1 Modification to RCRA Part B Permit

Dear Chief Shean:

In accordance with 40 CFR § 270.42(a), this letter notifies you of a Class 1 Modification to the subject facility's Part B Permit, Attachment D, Table D.1 – *Emergency Coordinator List for The Facility*.

This modification changes the Primary Emergency Coordinator to Mr. Clint Alexander and changes the Alternate Emergency Coordinator to Mr. Scott Dolk. Please replace Table D.1 – *Emergency Coordinator List* in Attachment D (page 34) in your copy of the permit with this attached, revised version.

Copies of the updated emergency contact information will be sent to the appropriate local emergency agencies and interested parties, upon the NMED's acknowledgment and approval, in writing, of this modification request.

If you have any questions or require any additional information please contact me by telephone at (505) 506-6360 or by e-mail at Scott.Dolk@safety-kleen.com. Alternatively, you may contact Justin Bauer, Senior Manager, Environmental Compliance, by telephone at (602) 329-0177 or by e-mail at bauer.justin@cleanharbors.com.

Sincerely,

Scott Dolk
Branch Manager
Safety-Kleen Systems Inc.

Cornelius Amindyas, NMED (via e-mail)

The Emergency Coordinator and Alternate must be familiar with all aspects of this Contingency Plan, the operations and activities at the facility, the location and characteristics of hazardous waste managed and stored at the Facility, the location of all records within the facility, and the facility layout. In addition, these coordinators have the authority to commit the resources necessary to carry out the Contingency Plan. Their home and office addresses and telephone numbers are listed in Table D.1. At least one employee shall be at the facility or on call to respond to an emergency. A list of emergency equipment available at the facility is included as Table D.3. In addition, facility personnel shall be aware of the location of emergency equipment.
