Dear Mr. Dinwiddie:

We have received your March 27, 1998, 2nd Notice of Deficiency (NOD) concerning our response to NMED's initial NOD for the Tech Area III/V (OU 1306) RFI Report.

Responses to several of the NMED comments will require discussions with NMED technical staff. To allow time for these discussions, and a complete and accurate response, we request that the response due date be extended an additional 60 days from our April 9, 1998, receipt date of your letter. If our request is granted, and our response period is extended to 90 days, the due date for our response will be July 8, 1998.

If you have any questions, please contact John Gould at (505) 845-6089, or Mark Jackson at (505) 845-6288.

Sincerely,

A handwritten signature in cursive script that reads "George K. Jackson".
