Dear Ms. Wagner and Mr. Davies:

The New Mexico Environment Department (NMED) has reviewed the subject document dated January 28, 2004, and has determined that it is administratively complete. The New Mexico Hazardous Waste Management Fee Regulations, 20.4.2 NMAC, require assessment of fees when administrative review of a document is complete. HWB will issue an invoice under separate letter. Payment is due within 60 days from the day you receive the invoice.

Should you request an extension of the sixty-day period, the request must be received by NMED within a minimum of fourteen (14) calendar days prior to the end of the sixty-day period. Should you disagree with the fee assessed you may file an Administrative Appeal under the provisions of 20.4.2.302.1 NMAC.
