Mr. James Bearzi, Chief
Hazardous Waste Bureau
New Mexico Environment Department
2905 Rodeo Park Rd East, Bldg 1
Santa Fe, NM 87505

Dear Mr. Bearzi:

On behalf of Sandia Corporation (Sandia) and the US Department of Energy (DOE), DOE is providing the following information regarding signatories to permit applications and reports submitted under the New Mexico Hazardous Waste Act (NMHWA) and Title 20 of the New Mexico Administrative Code, Chapter 4, Part 1, Subpart IX (20.4.1.900 NMAC) incorporating Title 40 of the Code of Federal Regulations, Part 270.11 (40 CFR 270.11).

The DOE is the owner and a co-operator of Sandia National Laboratories with respect to hazardous waste management activities. Sandia is the other co-operator.

Permit applications submitted under 20.4.1.900 NMAC/ 40 CFR 270.11 for Sandia National Laboratories (SNL), EPA ID No NM5890110518, (referred to herein as RCRA permits) are signed and will continue to be signed by the following persons:

For the DOE: The manager of the Sandia Site Office (SSO) or successor DOE office responsible for managing the operating contract for SNL.

For Sandia: The vice president responsible for environmental protection and/or waste management operations at the SNL facility in Albuquerque, New Mexico.

Reports required by current and future RCRA permits and other information requested by the NMED Hazardous Waste Bureau will be signed by the persons described above or by duly authorized representatives.

Reports and other correspondence regarding the Federal Facilities Compliance Order (FFCO) (October 1995, as amended) will also be signed by the persons described above or by duly authorized representatives.

Reports and other correspondence regarding the draft and future final Compliance Order on Consent (COC) pursuant to the NMHWA will also be signed by the persons described above or by duly authorized representatives.

SNL1015

The duly authorized representatives are:

For the DOE: The deputy manager of the SSO or successor DOE office responsible for managing the operating contract for SNL.

For Sandia: A center director reporting to the vice president responsible for environmental protection and/or waste management operations at the SNL facility in Albuquerque, New Mexico.

Please direct all correspondence to the persons listed above. At SNL, responsibility for environmental protection and/or waste management is currently held by one vice president.

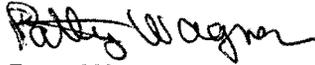

In April 2004, DOE notified your office of the DOE and Sandia persons holding these positions. Donald Blanton has just retired, and Les Shephard is now responsible for waste management activities. Therefore, the current DOE and Sandia persons are:
