RE: CAMU SURVEY PLAT AND DEED RESTRICTIONS
SANDIA NATIONAL LABORATORIES EPA ID# NM5890110518
HWB-SNL-02-002

Dear Ms. Wagner and Mr. Shephard:

This letter concerns the survey plat for the Corrective Action Management Unit (CAMU) submitted to the New Mexico Environment Department (NMED) by the U. S. Department of Energy and Sandia Corporation (collectively, the Permittees) on December 3, 2003. The survey plat does not contain a note, prominently displayed, which states the owner/operator's obligation to restrict disturbance of the CAMU containment cell in accordance with Appendix D, Section 4.4 of the CAMU Permit. There is also no evidence provided to the NMED that this information has been noted on the deed. A copy of the deed must be submitted to the NMED pursuant to Appendix D, Section 6.3 of the CAMU Permit.
