**To:** Kieling, John, NMENV  
**Subject:** RE: SNL MWL Comments

>Hi,

The letter below contains our full comments. I corrected one typo in this version. Thanks for making sure.

Best, Janet Greenwald

Janet,

> Are the following (below in blue type) the comments in total. I want  
> to make sure that we have received them in complete form.

> Thanks

>

>

> Dear Mr. Kieling,

>

> Due to technical difficulties, we were not able to send these comments  
> on the soil gas monitoring at the Mixed Waste Landfill to you  
> yesterday by five PM. We are hoping that since these comments will be  
> in your hands by nine AM on May 16 that they will not be counted as late.

>

> Both Citizens for Alternatives to Radioactive Dumping and the  
> Albuquerque Center for Peace and Justice completely support the  
> comments of Citizen Action on this subject. We are shocked and  
> dismayed at the handling of the Mixed Waste Landfill at Sandia  
> National Laboratories by the Environment Department. The MWL is  
> perched above the Mountain View Community, a community which is  
> resource light and covered by State and Federal Environmental Justice  
> mandates. If well drilling is conducted at Mesa del Sol (sp?), the  
> contaminated water from the land fill could contaminate drinking water in Mountain View  
and Isletta Pueblo.

>

> Please accept Citizen Action's comments as our own.
